

Why You Should Choose Alert-iT

WHEN USING ASSISTIVE TECHNOLOGY
TO SUPPORT

EPILEPSY

EXPERIENCE

With 25 years' experience in innovation and manufacture of monitors and alarms, Alert-it have now evolved into the UK's foremost provider of Plesio-care technology.

INNOVATION

Alert-iT is one of the UK's leading innovators and forward thinking manufacturer specialising in the design, production, distribution and support of care alarm systems across the country.

ISO ACCREDITED

Alert-it Care Alarms have obtained the highly regarded ISO certified displaying the teams continued ability to work to a high standard.

AFTER-SALES

With a continued after-sales support, we don't just offer industry leading devices, we also offer industry leading customer service.

PEACE OF MIND

Our Companion Monitor received a 93% rating for "Peace of Mind" in an Epilepsy Research UK survey

RELIABILITY

Our Companion Monitor also rated top for "Reliability" in the same survey

3-YEAR WARRANTY

All our devices include a market leading 3-Year Warranty as standard. Giving you the trust and support with your device

I would like to thank you for all your help and advice with regard to one of my service users who has epilepsy and is at high risk of injury. I have recommended you to colleagues who also work with people with significant health needs, and as such require the alarm systems you offer to greatly reduce the associated risks. I look forward to liaising with you again in the future.

Karen Prouton, Occupational Therapy Specialist Practitioner
